

Personnel in the Cleanroom

Module 1: Course Introduction

Introduction

Hello and welcome to this course, "Personnel in the Cleanroom". My name is Darleen and I'll be your instructor for this course. I'm a qualified trainer instructor with over 13 years' experience in the cleanroom environment.

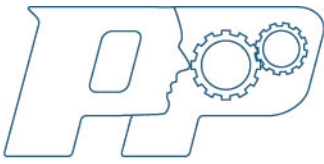

The aim of this course is to examine the personal behavioral requirements and responsibilities of working in a cleanroom environment. We'll explain the do's and don'ts of working in a cleanroom, the garments to be worn and how to gown, and the importance of hand hygiene.

This course is split into 3 lessons.

- **Lesson 1:** Personal Responsibilities in Cleanrooms
- **Lesson 2:** Gowning Procedures
- **Lesson 3:** Hand Hygiene

If this is your first course with People and Process Academy, be sure to watch the video titled 'Studying with People and Process'. This short video in the 'My Courses' section of this site, explains how to navigate your way around the site and get the most from your People and Process membership.

There's a quiz at the end of each lesson to test your understanding of the material. To successfully complete the course, you must pass the quiz for each lesson in the course. Once all the lessons have been completed you can then download and print the People and Process completion certificate.

People & Process Academy

There's a discussion forum attached to this course for all users. You can access the forum at any time from the sidebar on the right of your screen. In this forum, you can ask and answer questions about the course and engage with your fellow students.

If you have any difficulties navigating the course, see the support section for help.

So, let's get started. In our next lesson we'll explain the do's and don'ts of working in a cleanroom and what behaviours are expected of personnel.
